Product Description

KIOTI DK5320SEHCB Tractor with KL5521 Loader

- Powerful 53 HP KIOTI Tier 4 diesel engine designed for dependable performance and fuel efficiency
- Factory-installed heated and air-conditioned cab for year-round comfort and productivity
- Smooth 3-range hydrostatic transmission with easy directional control and responsive operation
- Independent rear and mid PTO for increased versatility with mowing and implement applications
- Standard 4WD for enhanced traction and stability in demanding terrain and working conditions
- Category I 3-point hitch with strong lifting capability for a wide range of implements
- High ground clearance of approximately 14.5 inches for rough terrain and field work
- Hydrostatic power steering and wet multi-disc brakes for smooth handling and reliable stopping power
- Deluxe suspension seat, ergonomic controls, and spacious operator station for maximum comfort
- Standard rear remote hydraulic valve and joystick control for improved implement operation
- Rugged heavy-duty chassis designed for landscaping, livestock operations, material handling, and property maintenance
- Excellent all-around tractor for grading, mowing, loader work, snow removal, and farm applications

KL5521 Front End Loader Features

- KIOTI KL5521 loader specifically engineered for DK Series cab tractors
- Maximum lift height to pivot pin: 107.7 in.
- Lift capacity to full height at pivot pins: 2,474 lbs
- Breakout force at pivot pins: 3,895 lbs
- Single-lever joystick control with float function for smooth and precise loader operation
- Quick attach/detach system with integrated parking stand for easy removal and installation
- Bucket level indicator standard for improved grading and loading precision
- Low-profile loader design provides excellent operator visibility
- Available 66-inch and 72-inch quick-attach bucket options
- Ideal for lifting, pallet handling, grading, snow removal, landscaping, and material handling applications

Perfect for acreage owners, landscaping professionals, livestock operations, and property managers looking for comfort, versatility, and heavy-duty compact tractor performance.
